YEAR 12 HEALTH AND HUMAN DEVELOPMENT

4.1.4

UNIT 4 – Health and Human Development in a global context
AREA OF STUDY 1 – Health and wellbeing in a global context

OUTCOME 1 – Analyse similarities and differences in health status and burden of disease globally and the factors that contribute to differences in health and wellbeing

KEY KNOWLEDGE – Implications for health and wellbeing of global trends – climate change, conflict and mass migration, increased world trade and tourism and digital technologies that enable increased knowledge sharing.

Jacaranda textbook – Pages 367-388 Chapter 10 Topic 10

1. Write the key terms on page 368 into your glossary.
2. Explain what is occurring in terms of climate change?
3. Explain what is occurring with rising sea levels and then explain the 4 impacts (relocation of villages and farms, reduction in the availability of fresh water, reduction in agriculture and food supplies and changes in biodiversity) of rising sea levels on health and wellbeing – explained in pages 370-371.
4. Explain the changing weather patterns and the increase in extreme weather events and then explain the 4 impacts (increased incidence of infectious disease, extremes in temperature, changes in crops that can be grown and reduced access to fresh water) covered in pages 372-373.
5. Explain the level of conflict in the world today and then explain the impact such conflict has on health and wellbeing?
6. What is “mass migration”? and what are the changes that have occurred with displaced people in the world?
7. What effect does this have on health and wellbeing?
8. What are the benefits and disadvantages of world trade?
9. Tourism is one of the fastest growing industries worldwide – why is it important and how can it promote health and wellbeing?
10. Whilst there are many benefits of tourism – what are the challenges of tourism?
11. What are the benefits and the challenges of digital technologies?

WORK REQUIREMENT 3 – Read the Case Study on pages 382-383 and answer the 5 questions – also read through the 10.6.1 Key skills information and then complete the practice questions 1 and 2 on page 386 – then complete the 3 exam preparation questions on pages 387-388 - submit all of these for marking. (10 responses all up)

That completes the work for Outcome 1 of Unit 4 – the second 25 mark SAC is the next assessment
